

What is Lorem Ipsum?

Lorem Ipsum is a text used as an example filler in the printing industry. It was first used in the fifteenth century by an unknown printer to fill a sample book with text. Five centuries later, it began to be used in the electronics industry, remaining practically unchanged. It became popular in the 60s with the publication of Letraset sheets containing fragments of Lorem Ipsum, and more recently with software containing various versions of Lorem Ipsum designed to produce prints on personal computers, such as Aldus PageMaker
